

## MELODY

Lost Frequencies feat. James Blunt

[Intro]

**Am F C G**

[Verse 1]

**Am**  
 Hey melody  
**F C**  
 Every night you play me something sweet  
**G Am**  
 And when I'm down, you always change the key  
**F C**  
 I need you now, my heart has lost the beat  
 N.C. **Am**  
 And I'm counting on your love, hey melody  
**F C**  
 We both could use a reason just to smile  
**G Am**  
 So let me be your harmony tonight  
**F C**  
 Every note you hit cuts into me

[Chorus]

N.C. **Am F C**  
 So let me hear your love, sing  
**G Am F C**  
 So let me hear your love, sing  
**Am F C**  
 Let me hear your love, sing  
**G Am F C**  
 So let me hear your love, sing

 Let me hear your love, sing
