

# Afterglow

Ed Sheeran

Tonart: H

Kapodaster: 4. Bund

[Verse 1]

**G**  
Stop the clocks, it's amazing  
**C**  
You should see the way the light dances off your hair  
**D**                    **Em**                    **C**  
A million colours of hazel, golden and red  
**G**  
Saturday morning is fading  
**C**  
The sun's reflected by the coffee in your hand  
**D**                    **Em**                    **C**  
My eyes are caught in your gaze all over again

[Pre-Chorus]

**C**  
We were love drunk, waiting on a miracle  
**G**                    **D**  
Trying to find ourselves in the winter snow  
**C**                    **G**                    **D**  
So alone in love like the world had disappeared  
**C**  
Oh, I won't be silent and I won't let go  
**G**                    **D**  
I will hold on tighter 'til the afterglow  
**C**                    **G**                    **D**  
And we'll burn so bright 'til the darkness softly clears

[Chorus]

**C**                    **G**                    **D**  
Oh, I will hold on to the afterglow  
**C**                    **G**  
Oh, I will hold on to the afterglow

[Verse 2]

**G**  
The weather outside's changing  
**C**  
The leaves are buried under six inches of white  
**D**                    **Em**                    **C**  
The radio is playing, Iron & Wine  
**G**  
This is a new dimension  
**C**  
This is a level where we're losing track of time  
**D**                    **Em**                    **C**  
I'm holding nothing against it, except you and I

[Pre-Chorus]

**C**  
We were love drunk, waiting on a miracle  
**G** **D**  
Trying to find ourselves in the winter snow  
**C** **G** **D**  
So alone in love like the world had disappeared  
**C**  
Oh, I won't be silent and I won't let go  
**G** **D**  
I will hold on tighter 'til the afterglow  
**C** **G** **D**  
And we'll burn so bright 'til the darkness softly clears

[Chorus]

**C** **G** **D**  
Oh, I will hold on to the afterglow  
**C** **G** **D**  
Oh, I will hold on to the afterglow  
**C**  
Oh, I will hold on to the afterglow
